

15 - 16 MAY, 2021

Organisations across the globe are struggling in the VUCA conditions. To be future ready, everyone needs to master the art of enterprise transformation.

Our mission is to address the challenges created by VUCA, and guide the industry to overcome uncertainty by bringing best knowledge and information from the pioneers of our world, and take the conversation forward to be more Agile as an industry.

'Remote' and 'online' are now new realities. Our goal is to discover their impact, suggest changes, guide in implementation and mature on practices in the current situation.
